Participation Rule/ Line Up/Game Roster/Substitutions

- 1) Teams must have 9 players to start a game. They may finish a game with 8 players due to injury or illness. An out will be recorded in the lineup for the injured/ill player.
- 2) All players shall play at least half of the game. For example, all players shall play at least 2 innings of a four or more inning game and 1 ½ innings for a three inning game to include a minimum of one infield position per game. Coaches may opt to rotate positions more often during a game and should make an effort to rotate players through every position throughout the season. This rule shall apply throughout the season, but shall not apply to city tournament, non-league and/or state tournament games unless deemed by the rules of the governing organization. **Note: Failure to comply with the above rules may result in suspension of coaching and forfeiture of games in question.**
- 3) All team members shall bat in the order submitted to the official scorekeeper. All team members present for games shall be placed on the lineup. At the coach's discretion any player may be omitted from the batting list or lineup for disciplinary or injury before game time. If a player gets injured or can't continue to bat in the order turned in. The opposing team will be awarded an out for the missing player when the player comes to bat. Player may come back in his/her order at any time.
- 4) Each team will have their line up into the other team and score keeper 15 minutes prior to game time.
- 5) If any player present that is not participating in the game, the opposing coach must be notified and noted on the line-up card.
- 6) Free substitution is allowed only at the half inning, unless an injury or illness.
- 7) An inning will be constituted by 3 outs.
- 8) **Absolutely no walk up music will be played as the hitter approaches the batter's box.**

Batting Order

Coaches are free to use the line-up of their choosing:

- straight 9 with substitutes listed
- designated hitter in place of one of the nine defensive players
- extra hitter as the tenth batter in the lineup
- line-up of all players present.

The batting order must stay consistent throughout the game. Any player who leaves and then returns to the batting line-up must occupy the same place in the order. If a team does not have 9 players in the line-up, an out will be called for the ninth missing batter or for any empty spot if batting all.

Courtesy Runners

Courtesy Runners may be used for the CURRENT listed pitcher or catcher. The “current” pitcher or catcher is the player who last assumed that position in the previous inning. Any player not in the batting order or previously listed in the batting order may be used as the courtesy runner. The spirit of the courtesy runner is to speed up the game, not gain an advantage in speed.

Score Keeping

All coaches should report wins and losses to the VP.

The scorekeeper will be responsible for the official score, scoreboard, and pitch count. **No parents or team scorekeepers are allowed in the press box.**

Pitch Count Tracking

The official scorekeeper shall be responsible for tracking each of the team’s pitch counts, either through the use of the scorebook or the pitching count chart/counter. Each pitcher’s pitch count is computed by adding the number of balls and strikes, the number of foul balls hit with two strikes, and the number of fair batted balls. Coaches will also keep track of pitch counts, but at no time shall supersede the official scorekeepers count. **It is recommended that coaches track pitches and confer with the official scorekeeper after each half inning. A clicker counter is recommended.**

ALL TEAMS SHALL HAVE A BOOK (ELECTRONIC OR PAPER) TO BE HEARD IN ANY DISPUTE, AND MUST BE COMPLETE TO THE POINT OF DISPUTE.

Teams may have one manager and three coaches in the dugout at any given time.

Visits to the mound

MLB rule = 5 trips per game and each pitcher must throw to 3 hitters, or the end of an inning. Anything beyond 5 trips will be removal of the pitcher from the mound, unless injury or change of pitcher.

A coach who visits the same pitcher a second time in the same inning must remove that pitcher. They cannot visit the pitcher twice during the same batter.

Obstruction/Interference Rule/Sliding Rule

Offensive interference- Players are encouraged to slide if a play is being made or is imminent at the base they are going into. If the player does not slide and contact is made, it is at the discretion of the umpire whether or not the player interfered with the play. If in the umpire's judgment interference occurred, the player will be called out. **There is no mandatory slide rule. If players do slide, they have to slide legally.**

Defensive Obstruction- Players not in possession of the baseball can not hinder or obstruct a runner's ability from obtaining the base. This is at the judgment and discretion of the umpire.

Infield Fly Rule

The infield fly rule will be in effect

Speed of Play

Coaches should make every effort to speed up play in all leagues whenever possible. This means the teams should be taking the field quickly. Umpires will also carry ball bags to ensure faster speed of play.

Warm up Pitches

Each Pitcher entering the game for the first time will be granted eight initial warm up pitches and five pitches when returning to the mound after the end of half inning of play.

Infield

Pregame infield may be taken as long as both teams have 10 minutes and infield is completed five minutes before game time. Home team takes infield first.

Post Season Play

A division qualifying city tournament will be played to determine the regional qualifier. The seeding for this tournament will be based on head to head competition then record vs like opponents and then to runs. Any team who has no plans on going to AABC postseason must notify the VP in writing 2 weeks prior to the tournament, that they will not be moving on, should they win. It will then be decided if that team will be eligible for the city.

Note: All leagues will have an end of year tournament played by white handbook rules.

AABC Rule Precedence

Any rule not covered in the above content will then revert to the AABC Handbook of Rules and or/Major League Baseball. Consult postseason rules beyond the city tournament for more information on AABC rules.
