- 2) All team members shall bat in the order submitted to the official scorekeeper. All team members present for games shall be placed on the lineup.
- 3) Each team will have their line up in to the other team and score keeper 15 minutes prior to game time.
- 4) Substitutions are allowed only at the half inning, unless there is an injury or pitching change
- 5) An inning will be constituted by 3 outs.
- 6) **Music: Is permitted, BUT don't abuse it! Must be clean and at a decent level! It cannot cause interference with umpire and coach communications. ZERO Tolerance, if we must warn you, you will not be able to play music for the remainder of the tournament. Questions regarding this rule contact the tournament director directly at 505-486-1171 (Philana)**

Batting Order

Coaches are free to use the line-up of their choosing:

- straight 9 with substitutes listed
- designated hitter in place of one of the nine defensive players
- extra hitter as the tenth batter in the lineup
- line-up of all players present.

The batting order must stay consistent throughout the game. Any player who leaves and then returns to the batting line-up must occupy the same place in the order. If a team does not have 9 players in the line-up, an out will be called for the ninth missing batter or for any empty spot if batting all.

Courtesy Runners

Courtesy Runners may be used for the CURRENT listed pitcher or catcher. The “current” pitcher or catcher is the player who last assumed that position in the previous inning. Any player not in the batting order or previously listed in the batting order may be used as the courtesy runner. The spirit of the courtesy runner is to speed up the game, not gain an advantage in speed.

Pitch Count Tracking

The official scorekeeper shall be responsible for tracking each of the team’s pitch counts, either through the use of the scorebook or the pitching count chart/counter. Each pitcher’s pitch count is computed by adding the number of balls and strikes, the number of foul balls hit with two strikes, and the number of fair batted balls. Coaches will also keep track of pitch counts, but at no time shall supersede the official scorekeepers count. **It is recommended that coaches track pitches and confer with the official scorekeeper after each half inning. A clicker counter is recommended.**

ALL TEAMS SHALL HAVE A BOOK (ELECTRONIC OR PAPER) TO BE HEARD IN ANY DISPUTE, AND MUST BE COMPLETE TO THE POINT OF DISPUTE.

Teams may have one manager and three coaches in the dugout at any given time.

Visits to the mound

MLB rule = 5 trips per game and each pitcher must throw to 3 hitters, or the end of an inning. Anything beyond 5 trips will be removal of the pitcher from the mound, unless injury or change of pitcher.

A coach who visits the same pitcher a second time in the same inning must remove that pitcher. They cannot visit the pitcher twice during the same batter.

Obstruction/Interference Rule/Sliding Rule

Offensive interference- Players are encouraged to slide if a play is being made or is imminent at the base they are going into. If the player does not slide and contact is made, it is at the discretion of the umpire whether or not the player interfered with the play. If in the umpire's judgment interference occurred, the player will be called out.

There is no mandatory slide rule. If players do slide, they have to slide legally.

Defensive Obstruction- Players not in possession of the baseball can not hinder or obstruct a runner's ability from obtaining the base. This is at the judgment and discretion of umpire.

Infield Fly Rule

The infield fly rule will be in effect

Speed of Play

Coaches should make every effort to speed up play in all leagues whenever possible. This means the teams should be taking the field quickly. Umpires will also carry ball bags to ensure faster speed of play.

Warm up Pitches

Each Pitcher entering the game for the first time will be granted eight initial warm up pitches and five pitches when returning to the mound after the end of the half inning of play.

Infield

Pregame infield may be taken as long as both teams have 10 minutes and infield is completed five minutes before game time. Home team takes infield first.
